IMPLEMENTATION

Form tutors will monitor and record uniform compliance daily using a tracking sheet. Parents will be informed of any concerns. From FS to KS1, parents are required to remind and support their child in meeting uniform expectations. From KS2 to KS3, students are expected to take increasing responsibility for ensuring they wear the correct school uniform. If the issue occurs on three occasions, sanctions will be applied. This process supports the development of responsible citizenship for students in KS2 to KS3.

Consequences of violation of the uniform policy will follow the school behaviour policy (please refer to PPS Behaviour Policy).
